Get a taste of Spring before the arrival of the new season.

The Preview Reception on Wednesday evening allows you to view the show before it opens to the public. Walk through the gardens, listen to live music, sip a drink and enjoy hors d'oeuvres between 5:30 and 8 pm, with the proceeds benefiting the Epilepsy Foundation of Rochester, Syracuse and Binghamton.

As the "charity of choice" of the GardenScape Professionals, the Epilepsy Foundation works to remove the stigma of epilepsy and help people with epilepsy and related disabilities reach their potential.

The Foundation's programs and services include:

- information & referrals
- epilepsy education
- counseling & support groups
- employment services
- residential services
- scholarship program
- case management / Medicaid service coordination
- Camp EAGR, residential summer camp for children with epilepsy

Tickets for "A Taste of Spring" are available in advance of the reception through the Foundation web site or at [Wegman's That's The Ticket](#) locations. To order tickets or get more information, call (585)442-4430 or visit <http://www.epilepsyuniversity.org>
